

# BTCC RACE DAY HOSPITALITY

## AT CROFT CIRCUIT, HANGAR 50

Croft Circuit will kick off the second half of the season in the UK's flagship motorsport series, hosting the sixth event and rounds 16, 17 and 18 of the 2024 Kwik Fit British Touring Car Championship (BTCC). As Croft celebrates its 60-year anniversary, spectators will see three wheel-to-wheel BTCC races during the weekend of the 27th and 28th July.

While the 2.1-mile international racing circuit will serve up the action from the BTCC and its supporting races; Croft Circuit's latest development, Hangar 50, will serve up gourmet street food and a two-course lunch as part of its exclusive hospitality offering. The new 'restaurant' building\*, situated on the outside of final corners of the circuit, is right at the heart of the BTCC paddock and is the perfect place to enjoy a great day of entertainment. These really are the 'hottest seats in the house'!
