

How To Register For The CNC Heads Sports Saloon Car Championship

To join the CNC Heads Championship the process is online via either:

www.barcnw.co.uk At the top of the page click the button CNC Heads Race Entry System.
or
www.barc.net Click Competitor Entry System then click Make Race Entry here

1) This will take you to the Login page.

If you have already set up/have a profile from last season login and proceed to 2)

Otherwise:

- You will need to click on the other tab Create Account.
- Follow the instructions to set up your profile. (Do not worry if you do not have pictures of your race licence to hand as you can login at anytime and edit it via edit profile button and update)

2) To race with CNCs you ONLY require BARC membership £40 AND BARCNW £15 (BARC Race £145 is ok instead of BARC £40).

If you have already purchased the required memberships the My Memberships button will show 2 or more if you have other BARC memberships. Click on it to check you have the required memberships, return to Profile and proceed to 3).

Otherwise:

- Buy the memberships by clicking on Buy Membership. Once you have put the first membership in the basket, click the back arrow and select the second one. Check out.
- Return to your Profile (click Profile button)

3) Click Vehicle Garage button

If the car(s) you want to register is/are there return to your Profile and proceed to 4)

If not:

- Click +addcar
- Upload picture of the car
- Add car details - manufacturer / model / CC if turbo charged put a T after the number or S if super charged.

There is no requirement to complete the dates etc re belts/extinguisher or other equipment
Click save

(You can edit this / add another car at any time by logging in and going to Vehicle Garage)

Return to your Profile

4) To Register you will need to have completed **1) – 3)** above and have the following information re your car:

Make/model - Engine manufacturer/type - weight - power - wheelbase - Transponder number (if hire just state Hire)

- From Profile
- Click Championship Registration
- Select CNCs
- Complete form. If you registered last season the system will show the text, if correct **make sure you click on it to enter the text into the box.**
- When you reach vehicle details click +addcar. This will take you to your garage.
- Click select on the car(s) then click close (down bottom right).

This will take you back to the form to complete the rest

- Click submit

Go to check out and check out (it is free but the system needs to register £0)

You will then receive an email from the system saying you have bought a CNC registration for £0.

The system also sends an alert to me that a registration request has been received, which i will review and approve/ask for clarification.

Once approved you will receive a confirmation email from the system and me that your registration has been accepted.

If you have any questions feel free to ask or call.
