

Camping at the ZYN British Superbike Championship event (14 - 16 August 2026)

Due to the current hot weather, the grass is extremely dry and presents a significant fire risk. To help keep everyone safe, charcoal barbecues, disposable barbecues, and open fires will not be permitted anywhere on site during the [BSB race weekend](#).

With a busy camping community expected, these rules will be strictly enforced throughout the event:

✗ No charcoal barbecues

✗ No disposable barbecues

✗ No open fires

✓ Gas barbecues are permitted only if they are positioned at least 60 cm above the ground on a suitable stand.

Fire points will be located around the campsite as usual. However, visitors are encouraged to bring their own fire extinguisher and/or fire blanket where possible.

If you'd prefer not to cook, there will be food concessions available within the campsite throughout the weekend, and the Thruxton Centre will be open every day from early until late, serving food and drinks.

Thank you for your cooperation and vigilance in helping us ensure everyone has a safe and enjoyable weekend.

Many thanks

The Thruxton Circuit Team
