

INSTRUCTIONS

We've listed below the procedure needed to take when buying a driving experience from Thruxton Motorsport Centre with Tesco Clubcard Vouchers

STEP 1

Have a look at our Tesco Clubcard driving experiences at www.thruxtonracing.co.uk/clubcarddeals. Once you've decided on the experience you would like to purchase, change your Clubcard vouchers to a Reward Partner code [HERE](#) (Tesco will email these to you)

STEP 2

Once you receive your Reward Partner code (which should include your TXM number and QR code) from Tesco, complete the form below, filling out all the relevant details. Customers can then either email all documents to info@thruxtonracing.co.uk or print all documents and send them to:

Carol Robinson
Thruxton Motorsport Centre
Thruxton Circuit
Andover
Hampshire
SP11 8PN

PLEASE ENSURE YOU INCLUDE YOUR TXM NUMBER AND QR CODE WITH ALL CORRESPONDENCE

STEP 3

Once we receive the completed form and your vouchers. You will receive a personalised E-Voucher direct to your inbox.

TESCO AND THRUXTON MOTORSPORT CENTRE CLUBCARD BOOKING FORM

SECTION 9 – DECLARATION

By signing this form, you have read and understand the terms and conditions applicable to Thruxton Motorsport Centre and Tesco Clubcard Deals

Print Name _____ Signature _____

Terms & Conditions for Tesco Clubcard Vouchers

Thruxton is committed to ensuring that all of its customers enjoy their experiences. To ensure there is no misunderstanding with regard to purchase or participation of any experiences please read the following information carefully. Call us on 01264 882222 if there are any issues you would like to discuss.

Venue

Driving

Thruxton is an FIA licenced motorsport venue and as such meets all the requirements laid down by the governing body of motorsport in the UK, the MSA (Motorsports Association). We operate with full third-party public liability insurance cover. All the instructors are qualified and licenced by the Association of Racing Drivers Schools (ARDS), a body recognised by the Motorsport UK

Participation

All participants must:

- 1. Hold a valid UK, EU, US, Australian or other recognised driving licence for a manual car.
- 2. Sign an indemnity before taking part in any activity
- 3. Attend the briefing
- 4. Be fluent in English. If the instructor is concerned about the customer's ability to understand and react to verbal instruction, the instructor can immediately stop the drive.
- 5. Due to the nature of our driving experiences and the cars we use, they are not suitable for driver who are deaf or have a physical disability that requires special equipment to control and drive the car. We are also able to offer driving experiences to blind people. If you are at all unsure about the suitability of someone to drive at Thruxton, please call to discuss.

Driving

Once your course is booked, Thruxton allocates your experience slot and covers the associated costs for the appropriate vehicles and instructors. We require you to arrive in plenty of time (at least twenty minutes before the start of your course). All participants must attend a pre-event briefing. Failure to do so or being late may result in you not being able to participate in the experience. We reserve the right to refuse an experience to anyone who is deemed to be under the influence of alcohol or drugs. All attendees must abide by the experience rules and regulations as described in the briefing. They must drive in a manner as instructed and where relevant no more than the specified rev limit. We reserve the right to stop the Experience if we feel a customer is driving in a potentially dangerous manner. They will be unable to complete their course if any car is damaged whilst they are in control and will not be able to claim a refund. Where required helmets/safety equipment must be worn, no exception will be made.

Gift Vouchers

Gift Vouchers are valid for one year from date of purchase and must be booked by the beginning of the tenth month. The chosen activity must be undertaken within the one year period. **Gift vouchers once processed by us cannot be refunded under any circumstances, although a change of name is acceptable.** Gift Vouchers cannot be extended. It is the recipient's responsibility to understand the valid period, operating days within that time and to plan accordingly to use it before the valid period expires. A list of operating days is included in the voucher pack and is also listed on our website. Otherwise call our office to ask for an up to date list. Gift vouchers can be transferred to other people.

Cancellation Of Booked Date

Thruxton Motorsport Centre operates a cancellation policy and offers its customers a purchased cancellation policy that gives extra flexibility once a date has been booked.

Without Cancellation Cover

Once a date has been booked (A voucher that has been booked in against a specific date) it can be moved only once and only if the change of date is made more than two weeks before the original booked date. A charge of £40 will be made at the time the booking is changed. You will not be able to change your booking if you are within two weeks (14 days) of the original booking. You can send someone else in your place though.

With Cancellation Cover (price confirmed on price list or website)

Once a date has been booked (a voucher that has been booked in against a specific date) it can be moved only once (for no cost) up to one week before the booked event. You will not be able to change the booking if you are within one week (seven days) of the original booking. You can send someone else in your place though.

No Shows

You will forfeit the entire course fee if you fail to attend on the day and time of your booking.

General Information

All experiences are run on specific dates during the year. (see date list) Circuit driving experiences operate primarily during the week with very limited Saturday availability between mid-February and late November. We do not operate the track experiences in December or January. 4x4 experiences operate at weekends unless you have a group booking (3+) when weekdays can be considered. Due to popular demand, we advise booking two–four weeks in advance to guarantee your first choice of date. Drivers – please note that there may be some waiting between the cars you drive. This may be the same for participants of the 3 car passenger ride. Family and friends are most welcome to attend and watch. There are good spectator facilities on track and at the Go Karts. There are limited opportunities to watch the 4x4. There is no charge for spectators. There is a restaurant on site should you require any refreshments at Thruxton. Third party insurance is included in the cost of the course. Animals are prohibited on or around the circuit and airfield. Young children are allowed in and around all the relevant buildings but must be supervised at all times. Please note that whilst family and friends are welcome to attend the briefing, it is not suitable for babies and small children, who can distract other participants. You are welcome to film from all the normal public enclosures. Thruxton Motorsport Centre is constantly trying to improve and upgrade their experiences. As such your experiences and the vehicles used may differ from that described in the brochure.

Weather

Driving

We try to run the majority of events at times of the year when they will not be adversely affected by the weather. In the event of snow, ice, fog or heavy rain the event may be cancelled or be restricted. Thruxton Motorsport Centre ONLY will make the decision to run the event, stop for a period of time or cancel completely. Generally, weather forecasts are sufficiently unreliable to make any definitive decision the day prior to an event and as such a bad or unpromising forecast the day before your event is not an acceptable reason for you to want to cancel your event. Non-attendance on a day that operates in spite of bad weather forecasts will see you lose your experience completely. If your driving is cut short because of bad weather, you will be able to return on another day to complete the balance of your experience. Refunds will not be

Clothing

Driving

You'll be spending a lot of time outside so wear appropriate clothing but when driving the race car you must wear long trousers, long-sleeved top and thin-soled narrow shoes. The pedals in racing cars are very close together. Helmets, wet weather suits and a limited number of racing boots are available to use on the event but if you have your own you are welcome to wear them.

Size

Driving

Minimum height: 5' Maximum height: 6' 4". The Formula Renaults can accommodate people up to approx 6'. If you are unable to fit into the Formula Renault and are under approx 6' 4" you will drive a Sports 2000 racing car. Minimum age: 17 – but must hold a full driving licence. The above sizes are a guide only. Some participants who fall within the guidelines may have very long or short legs for instance and find it impossible to drive. If you are close to the above limits we may only be able to determine your suitability to drive when you are actually here on the day and can try the actual vehicle.

These terms and conditions replace all previous information and come into effect as from November 2022
