

Thruxton Circuit will be hosting the British Touring Car Championship and British Superbikes this year.

As usual, we will have traffic restrictions in place, and to assist you, here is the details of drop off (Ingress) and collection (Egress) for your records.

We look forward to you supporting these events.

## Taxi Ingress Route

On SUNDAY 26<sup>th</sup> July and SUNDAY 16<sup>th</sup> August, special provision will be made for licensed taxis to gain access through the road closures that fall under the official Road Closure Order. Please note the details below.

INGRESS, will be from 07:00 until 12:00.

Only licensed taxis will be authorised to make use of the BLUE ROUTE, as shown on this map.

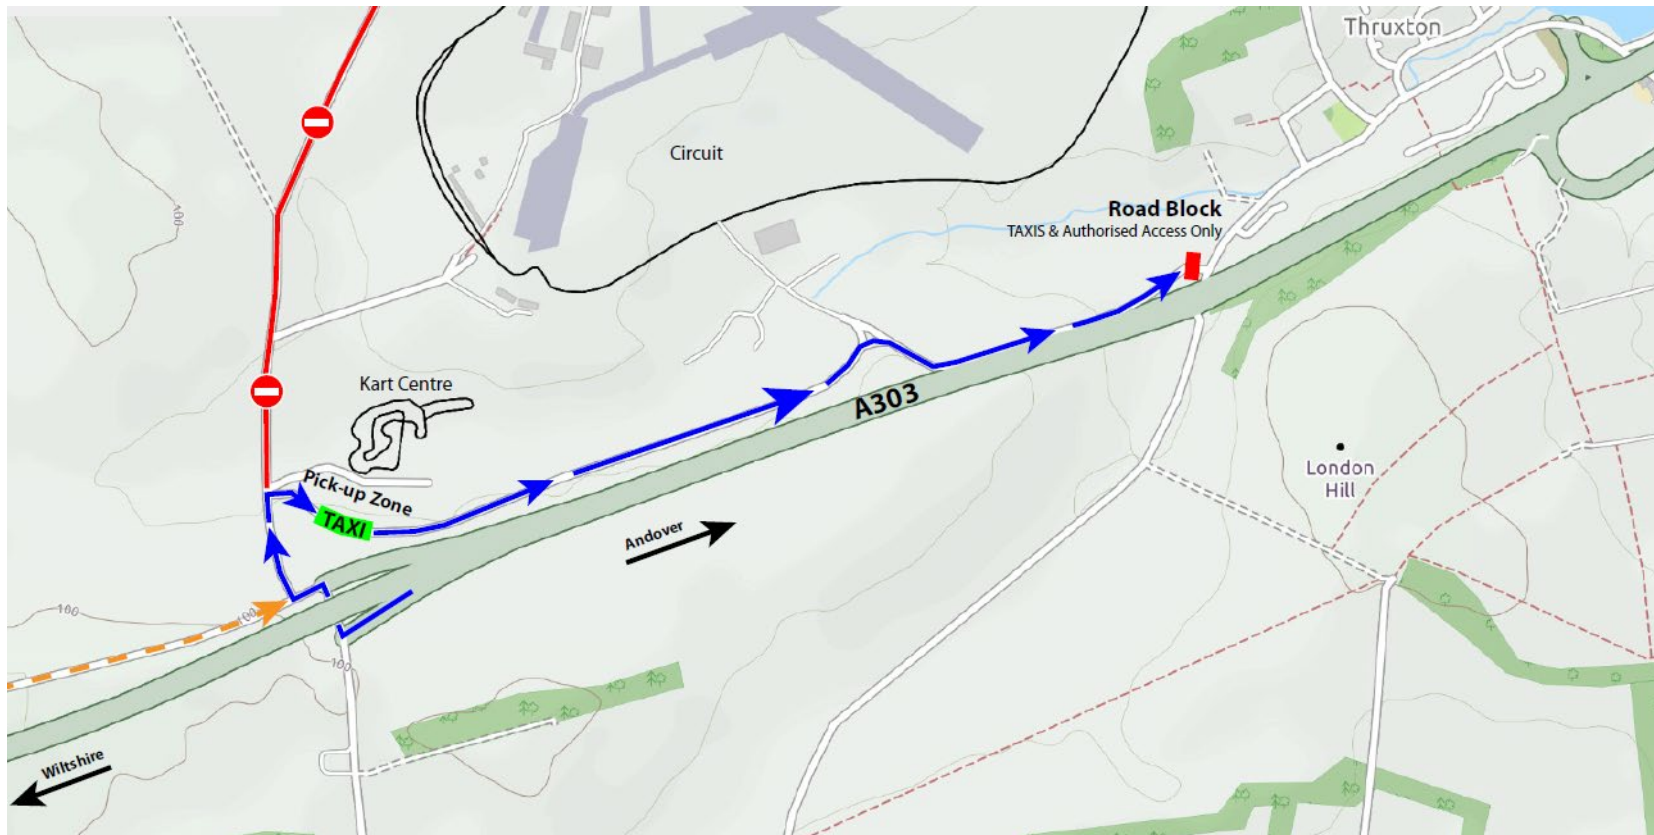

No access will be permitted to taxis on the RED ROUTES. The ORANGE ROUTE is a restricted route, which taxis are permitted to use.

The ORANGE ROUTE may be controlled by public safety officers, on the grounds of safety. Please follow their instructions.

The Taxi Pick-up Point will be the at weighbridge area, marked in GREEN.

In the event of an emergency, please follow the instructions issued by police, or event officials.

No stopping will be permitted for the dropping off of clients in any other area within the Road Traffic Order zone.

## Taxi Egress Route
